

Where do your dues go?

Teachers who are part of their union pay dues out of each paycheck, but how much of that money goes to the local, state, or national union? Here's a breakdown.

If you're looking for more information about union membership as well as alternatives, visit [TeacherFreedom.org](https://www.teacherfreedom.org).

*These are estimates based on full time employment and may be higher or lower in your district.
**Ranges from \$150 to \$190 for larger districts, while smaller districts will be closer to \$110.
